Assessment & Evaluation in Higher Education is an established international refereed journal which publishes papers and reports on all aspects of assessment and evaluation within the various disciplines representative of higher education. The purpose of the journal is to help advance understanding of assessment and evaluation practices and processes, particularly in the contribution they make to student learning, and to course, staff and institutional development. **Assessment & Evaluation in Higher Education** welcomes pragmatic, research-based or reflective studies which help to illuminate the everyday practice of assessment and evaluation in higher education.

The journal is aimed at all higher education practitioners, irrespective of discipline, and sets out to provide readily accessible, up-to-date information about significant developments within the field, with a view to the sharing and extension of evaluated, innovative practice. Suggestions about particular themes or special issues are welcomed.

Editorial correspondence, and manuscripts for submission, should be addressed to: Dr William A. H. Scott, *Assessment and Evaluation in Higher Education, School of Education, University of Bath, Bath, BA2 7AY*. Notes for contributors can be found inside the back cover of this issue.

Books for review should be sent to: Brenda Smith, *Assessment and Evaluation in Higher Education, Teaching and Learning Quality Manager, Nottingham Trent University, Burton Street, Nottingham NG1 4BU, UK*.

Business correspondence, including orders and remittances relating to subscriptions, advertisements, back numbers and offprints should be addressed to the publisher: Carfax Publishing Company, PO Box 25, Abingdon, Oxfordshire OX14 3UE, UK.

The journal is published four times a year by Carfax Publishing Company in conjunction with the University of Bath and these four issues constitute one annual volume. An annual index and title page is bound in the fourth issue.
